Lunar Saints Production Inc. is a progressive multimedia production company that was founded in 2010 by Mr. Rommel Luna and Mr. Justin Santos. Our distinctive services are Events Management, Video Production, Creative Design and Casting.

Lunar Saints Production is composed by a team of artistic professionals who conceptualize latest innovative and diverse ideas that can be fully personalized to cater your company's taste.

Centered with values of "Creativity and Passion" we dedicate outstanding output for our clients that aims happiness and commitment to maintain a fruitful business partnership.

Whatever you choose, we always provide.

MISSION

Through the integration of multimedia services centered in creativity and passion, social responsibility and critical thinking.

Our mission is to assure clients satisfaction with dependable production team and artists whose insights and aptitudes serve the profession and community.

VISION

As a Philippine based Multimedia Production Company, we aspire to become an environment where creativity and individual growth is developed and shared to corporate companies. Our success will be based on the fulfillment of our clients' needs satisfaction.
